

## **Endorsement for Scott Powell**

I enthusiastically recommend Scott Powell for election to the Pedernales Electric Cooperative.

Scott graduated from the Texas A&M Maritime Academy in Galveston with degrees in Marine Engineering and Business Administration and later acquired a US Coast Guard Master Mariners License.

After several years sailing tankers around the world he transitioned to project management in a variety of endeavors including energy resources and onshore and offshore well control disaster recovery. He retired from a position as Division VP of a Fortune 500 Company.

Scott and I have both served as presidents of the Texas Navy Association, a nonprofit organization dedicated to the preservation of the history of the little known but gallant 1836-1846 Texas Navy.

During his tenure as president, I have personally observed his remarkable management and organizational skills in the challenging task of managing and organizing volunteers who seek to do the what's needed but don't always know what that is.

The PEC membership would do well to elect Scott Powell to their Board of Directors.

Jerry Patterson

Former Texas Senator, Former Texas Land Commissioner
